

ADMINISTRATIVE DETAILS FOR DEC 2023 BUILD-TO-ORDER (BTO) EXERCISE

Below is the relevant information about this sales launch. For all the other details, please refer to [HDB InfoWEB](#).

Submission of Application

2 Eligible applicants may apply online via the HDB Flat Portal, from **5 December (Tuesday) to 11 December (Monday)**. An administrative fee of \$10 per application is payable by credit card (MasterCard/Visa only) or by scanning the QR code using any supporting mobile payment apps.

3 Applicants who wish to participate in the Dec 2023 BTO exercise will need to have a valid HDB Flat Eligibility (HFE) letter before submitting a flat application.

4 **Each household can only make one application** for the BTO exercise and must indicate the **town/estate** and **flat type/flat application category** that they are applying for. HDB will shortlist applicants using a computer ballot, and not on a first-come, first-served basis. Where there are two or more BTO projects offered in the same town/estate, flat applicants will be considered for all the projects in the same town/estate, subject to eligibility conditions.

Income Ceiling

5 The monthly household income ceilings for the various flat types are set out in [Table B](#). Please visit [HDB InfoWEB](#) for more details on the eligibility conditions.

Non-Selection of Flat

6 First-timer (FT) families who do not book a flat even though there are flats available and do not meet the guidelines to waive the non-selection count¹ will have their subsequent flat application(s) moved to the second timer (ST) category for one year. If they continue not to book a flat on another occasion after they have been moved to the ST category, they will remain in the ST category for another year. All other applicants who do not book a flat will not be able to apply for any flat in the subsequent public sales exercises for one year. Applicants are advised to book a flat when they have a chance to do so.

7 With effect from the October 2023 sales launch, BTO/Sale of Balance Flats (SBF) applicants who have received a queue position that is within the flat supply will not be eligible to apply for a flat in subsequent BTO/ SBF exercises until after their flat booking appointment. This ensures that they do not crowd out other applicants who have not secured a queue position.

8 In addition, upon incurring a non-selection count in a BTO/SBF exercise, HDB will cancel any existing applications made by the same applicant from the October 2023 BTO exercise onwards. While such applicants can continue to apply for future BTO/ SBF sales exercises, the non-selection count will be accounted for in their applications. This is to prevent unfair advantage for such applicants who would otherwise enjoy multiple balloting opportunities and greater priority for their applications.

Flat Booking

9 Applicants' queue positions to book a flat are determined by computer balloting. HDB will shortlist applicants beyond 100% and potentially up to 300% of the total flat

¹ With effect from the Oct 2023 sales launch, HDB will waive the non-selection count for applicants with 10 or fewer BTO flats to choose from. Their additional ballot chances, if any, accumulated from past unsuccessful BTO attempts in the non-mature estates will continue to be treated as used.

supply, taking into account the respective quota², and inform them of their queue positions in Feb 2024. Applicants who are not shortlisted will be informed that they are unsuccessful in their applications.

10 The flat booking exercise for the Dec 2023 BTO exercise will commence in **Mar 2024**.

11 Applicants are invited to book a flat, subject to availability of flats and ethnic quota when their turn is due. They can check the availability of flats and ethnic quota on the HDB Flat Portal before turning up at the HDB Sales Office to book a flat. Seniors who are invited to book a Community Care Apartment must sign up for the Basic Service Package Agreement with the operator.

12 An option fee of \$500 is payable to book a Community Care Apartment, 2-room Flexi flat, \$1,000 to book a 3-room flat and \$2,000 to book a 4-room, 5-room or 3Gen. The option fee, which forms part of the downpayment, is payable by NETS.

Signing of Agreement for Lease

13 HDB will invite flat buyers to sign the Agreement for Lease within nine months after they have booked a flat. Buyers who are taking a housing loan from HDB or FI must pay 10% or 20% of the flat price respectively as the downpayment when they sign the Agreement for Lease. The downpayment is payable by CPF savings and/or cash. Flat buyers who take up a housing loan from an FI must produce a Letter of Offer before signing the Agreement for Lease.

Collection of Keys

14 Flat owners who are buying a flat from HDB are advised to plan ahead for the sale of their existing flat. After collecting the keys to their new flat, they have up to six months to dispose of their existing flat. They may apply for a contra facility or temporary loan when the sale of their existing flat is underway, if they are eligible to do so, to complete the purchase of their booked flat and collect the keys. The contra facility or temporary loan is made available after HDB has approved the resale application of the existing flat, and it will be redeemed thereafter using the net proceeds from the sale of the existing flat. For more details, please refer to the [Conditions for Purchase](#) before submitting an application.

² For example, for 4-room and bigger flats, at least 95% of the public flat supply is set aside for first-timers, and up to 5% of the public flat supply is set aside for second-timers.
