Well-connected

The waterfront town of Punggol 21+ is set to become a vibrant and exciting place, well served by excellent transport links.

A short walk takes you to the Punggol MRT/LRT station and bus interchange, enabling convenient travel. Major expressways like the Tampines Expressway (TPE) and Kallang-Paya Lebar Expressway (KPE) are mere minutes away and driving to the city is quick and easy.

Lifestyle Conveniences

Whether it's to meet your everyday living needs, or to indulge in your recreational and lifestyle desires, Punggol Residences is where you want to be.

The development is located right within the proposed Town Centre that's designated to be a vibrant and lively hub. You are also close to Punggol Plaza, where you can find retail and eating outlets, a wet market and a supermarket for your everyday grocery shopping. If you're a parent of young children, you'll appreciate the convenience of having an education centre located right within the development.

At Punggol Residences, you also enjoy the privilege of being close to the Punggol Waterway. Currently under construction, this new leisure destination will be perfect for indulging in riverside recreation or relaxing after-dinner strolls.

Distinctive Design

Punggol Residences features distinctive architectural designs nestled within lush landscaping to offer you a home environment that perfectly balances aesthetic appeal, nature and contemporary living comforts.

The development comprises eight 16-storey blocks of 4-room and 5-room Premium flats. These blocks are north-south oriented to avoid direct sun while offering good cross ventilation and views.

Endowed with architectural features such as balconies in the living room of all the 5-room flats and some 4-room flats, three-quarter height windows in all units as well as bay windows in the master bedroom of some units, the facade of the development is given a contemporary look and identity.

The landscaped deck in the development features a setting of verdant greenery housing outdoor facilities like a playground and fitness stations, as well as pavilions and resting shelters. In addition, the gardens of Punggol Residences literally come aglow upon nightfall – illuminated lightbox seating peppers the development to give it added, enchanting allure.

Those who drive will enjoy the added convenience where every block comes with direct lift access to the covered carpark below the landscaped deck. The carpark features air wells and mini-gardens which enliven the environment. There is also a sheltered drop-off porch at the main entrance to welcome visitors and residents alike.

Indicative Price Range

Punggol Residences offers a collection of 4-room and 5-room Premium flats.

Each unit comes with three-quarter height windows in the living room and bedrooms. Some units are provided with bay windows in the master bedroom.

A balcony is provided in the living room of all the 5-room flats and some 4-room flats.

These Premium flats are tastefully fitted with glazed porcelain ceramic floor tiles for the living and dining areas, timber strip flooring for the bedrooms, and ceramic wall/floor tiles for the kitchen and bathrooms. Quality sanitary fittings in the bathrooms add to the final touches in your contemporary home.

The indicative price range of these Premium flats is tabulated below:

Flat Type	Floor Area Range (sqm)	Internal Floor Area Range (sqm)	No of Units	Indicative Price Range
4-Room	92 - 97	91 - 96	615	\$264,000 - \$322,000
5-Room	116	114	154	\$344,000 - \$409,000

Notes:

- The floor area refers to the estimated area of the whole apartment, inclusive of the area of balcony, bay windows and air-conditioner ledge (where applicable).
- The internal floor area refers to the estimated area of the apartment computed based on the centre line of the apartment wall.
- The indicative prices do not include the cost of optional components. Actual selling prices will vary according to the attributes of the individual units at the time of selection.

Affordability of a Typical Flat

Flat Type	Typical Selling Price	Applicants' Median Household Income	Eligible Additional Housing Grant	Monthly Instalment for 30-year Loan	Instalment to Income Ratio
4-Room	\$295,000	\$4,100	\$10,000	\$1,063	26%
5-Room	\$375,000	\$5,100	\$0	\$1,351	26%

Notes:

- The monthly instalment for 30-year loan is based on 90% of selling price at interest rate of 2.6% per annum.
- The Additional Housing Grant, if eligible, is assumed to be used to first offset the downpayment before the mortgage loan of up to 90% is granted by HDB.
- The applicants' median household income is based on that of short-listed 1st-timer applicants of BTO contracts launched in the 4Q08 and 1Q09 for Non-mature estates.

Optional Component Scheme (OCS)

You may opt to have internal doors installed in your selected flat. The cost of installing the doors will be added to the selling price of the flat.

Optional Component	Indicative Costs	
	4-Room	5-Room
Internal doors*	\$1,890	

* 4/5-room: 5 internal doors (3 bedroom doors and 2 bathroom doors).

Simple Steps to Apply

STEP 1: SUBMIT YOUR APPLICATION

- Interested applicants may submit your application¹ through e-Sales > Build-to-Order Jul 09 > Apply Online.
- Applicants are advised to seek financing advice from HDB or the bank/financial institution on the loan amount they can borrow for the purchase of an HDB flat before submitting their application.
- Eligible applicants can request for priority under the various priority schemes² such as Married Child Priority Scheme and Third-Child Priority Scheme, where applicable.
- You will need to indicate your choice for a 4-room or 5-room flat.³
- You will need to pay an administrative fee of \$10 by CashCard or credit card (Visa / MasterCard).
- Apply by **12 Aug 2009 (Wednesday)**.

1a You may check on the latest number of applications received at e-Sales > Build-To-Order Jul 09 > Apply Online > Flat Supply and Applications Received.

1b Those without Internet access can visit HDB Hub or any HDB Branch Office where they will be assisted in the submission of their application. Operating Hours: Monday to Friday from 8:00am to 5:00pm and Saturday from 8:00am to 1:00pm.

2 Find out more about the priority schemes at e-Sales > Policies > Priority Housing Schemes.

3 Please refer to e-Sales > Policies > Eligibility Conditions to buy a flat from HDB.

STEP 2: SELECT YOUR FLAT⁴

- You will receive news of your balloted queue position by **Sep 2009**.
- Invited applicants will be given an appointment to select a flat.
- You can select your choice flat from **Oct 2009**.
- You will need to pay an option fee of \$2,000 by cash/NETS/cheque.

4 HDB will assess the applications received before deciding whether to proceed with the invitation of applicants for the selection of flats.

STEP 3: APPLY FOR MORTGAGE LOAN

- Applicants taking a mortgage loan must obtain the HDB Loan Eligibility Letter (HLE) from HDB⁵ or a Letter of Offer from a bank/financial institution before signing the Agreement for Lease.

5 Apply for the HLE online at e-Sales > eServices > HDB Loan Eligibility Application.

STEP 4: SIGN AGREEMENT FOR LEASE⁶

- You will be invited to sign the Agreement for Lease within four months from the date of selection of the flat.
- You will need to pay 10% of the selling price as downpayment and about 1% to 3% as legal and stamp fees by CPF and/or cash.
 - (a) First-timer applicants who qualify for the Staggered Downpayment Scheme need only pay a 5% downpayment. The balance 5% is payable at the time of collecting keys to the flat.
 - (b) Applicants taking a loan from a bank/financial institution have to pay 5% in cash and the balance 5% by CPF and/or cash.

6 HDB will proceed to call tender to build the contract only if there is sufficient take-up of the flats for the contract.

STEP 5: MOVE INTO YOUR FLAT

- HDB will invite you to collect the keys to your new flat when it is completed.⁷
- You will need to arrange to pay the balance of the selling price by an HDB loan or a loan from the bank/ financial institution, or by cash/CPF.

7 The Estimated Delivery Possession Date (EDPD) for Punggol Residences is **31 Mar 2014**. The EDPD is an estimate of the date that HDB is required under the Agreement for Lease to deliver possession of the flat. Applicants will be informed of the actual Delivery Possession Date during the signing of Agreement for Lease. The flats may be completed earlier, depending on the progress of construction. Punggol Residences is expected to complete **by 1st Qtr 2013**.
