

A DELIGHTFUL HABITAT

Inspired by the waterfront town theme of Punggol 21+, the design of Punggol Crest is a modern interpretation of rustic villages by the sea.

A series of vertical and horizontal fins form a distinct graphical pattern reminiscent of coastal architecture. Six 16-storey residential blocks rest amid a soothing sea of green landscaped gardens, inter-connected with sheltered walkways and footpaths. The lift lobbies and common corridors of the development are designed to allow for ample fresh breezes and natural light, while sheltering from the rain and harsh heat.

The entrance to Punggol Crest is a paved plaza lined with ornamental plants – providing a warm welcome to residents and visitors. Sheltered linkways connecting the drop-off porch and multi-storey carpark to all blocks ensure residents arrive home comfortable and dry.

TRUE CONVENIENCES

Located near the proposed Punggol Town Centre, residents can walk over or take a short bus ride to the Punggol MRT/LRT station and bus interchange. Minutes away is Punggol Plaza, where a wide array of shopping and dining choices await

Motorists are well-connected by the nearby Tampines Expressway (TPE) and Kallang-Paya Lebar Expressway (KPE).

REFRESHING RECREATIONS

The landscaped grounds of Punggol Crest offer open green spaces for play and exercise as well as intimate nooks for quiet contemplation. Young and old alike can enjoy a healthy lifestyle with a playground for kids, fitness stations for adults and the elderly, and a jogging path for all. A precinct pavilion and amphitheatre within the development provide pleasant spaces for social gatherings and recreational activities.

In the heart of the development, trellis, trees and resting shelters create pockets of cosy spaces. Here, residents can spend quiet time reading, or find a peaceful corner for conversation or simply to relax in.

Residents can also look forward to more upcoming recreational delights in the town such as the Punggol Waterway and Punggol Promenade. Currently under construction, these are set to be new leisure destinations for the whole family.

ENGAGING ENVIRONMENT

Punggol Crest provides an environment that is conducive for the family to grow in. Beyond formal learning spaces, a spice garden provides an area where kids can learn about nature and adults can enjoy the aroma of the herbs and flowers.

A variety of primary and secondary schools are located conveniently in the town.
