Buyers will be given a choice to opt for a partition wall between the living/dining area and the kitchen, if they do not want the “open kitchen” concept.

25 Buyers of new 3-room and bigger flats can opt for flooring for the living/dining and bedroom, as well as internal doors and sanitary fittings in bathrooms (i.e. wash

basin, water tap and shower mixer). The 3-room and bigger flats in Northshore StraitsView, Waterfront I @ Northshore and Waterfront II @ Northshore are provided with laminated UPVC swing bedroom doors and laminated UPVC folding bathroom doors. For the other projects, only UPVC folding doors in bathrooms are provided. The cost of the optional components (see Table B1(5) below) will be added to the selling price of the flat.
