

Contemporary Homes with a Modern Sparkle

Located at the junction of Corporation Road and Yung Kuang Road, Corporation Tiara stands out with its stylish architecture. Standing at twenty storeys, the three residential blocks in this premium development are adorned with distinctive crown-like roof features. The name Corporation Tiara aptly reflects its elegant design.

Artist's Impression

Under this BTO launch, 275 units of 4-room and 5-room Premium flats are offered for sale. The design for this development includes 190 units of Studio Apartments which will be set aside to meet the housing needs of elderly Singapore citizens at a later date. These Studio Apartments will not be offered for public sale at this launch.

A Dazzling Array of Lifestyle Conveniences

Corporation Tiara is within walking distance to Taman Jurong Shopping Centre as well as Taman Jurong Market and Food Centre. For more shopping options within Jurong, there's Jurong Point and IMM to choose from.

For leisure, stroll over to the Taman Jurong Community Club to explore the multitude of enrichment courses available. Other nearby recreational venues include Jurong Lake Park, Chinese Garden and Japanese Garden.

When you need to commute, you will enjoy easy connectivity with the well-established network of buses, Lakeside MRT station and Ayer Rajah Expressway (AYE).

The range of schools located within the town includes Lakeside Primary School, Jurong Secondary School, River Valley High School and Jurong Junior College.

Facilities at Your Doorstep

Taking design cues from the digital age, a series of pixel patterns adorn the precinct facilities, exuding a modern feel.

With the residential blocks sited at the perimeter of the development, a large central green space is created. Here, you enjoy an array of amenities that cater to all ages. There are fitness stations that cater to the elderly and adults while children can enjoy outdoor fun at the playground. The precinct pavilion serves as an ideal spot where you can gather with neighbours and engage in friendly chatter.

Parents with young children will appreciate the childcare centre within the development. A Residents' Committee Centre is also located here.

For ease of movement within the development, sheltered walkways are linked to offer shade and protection from the weather.
