

Woodlands Meadow

A home to invigorate your senses

Situated along Woodlands Crescent Road, Woodlands Meadow consists of 5 residential blocks, each 16 storeys in height. At the heart of the development lies a meadow-like central green which gives inspiration to the precinct's name and reflects the serene natural environment which residents are set to enjoy. To further complement this theme, the residential blocks are adorned with earth-toned colours which contribute to a warm, inviting atmosphere. The blocks' sloping roofs also bring to mind picturesque open-air garden pavilions and provide visual interest at the same time.

Children can engage in outdoor fun at the children's playground. A precinct pavilion, pergolas and seating areas serve as ideal spots where you can gather with friends and neighbours.

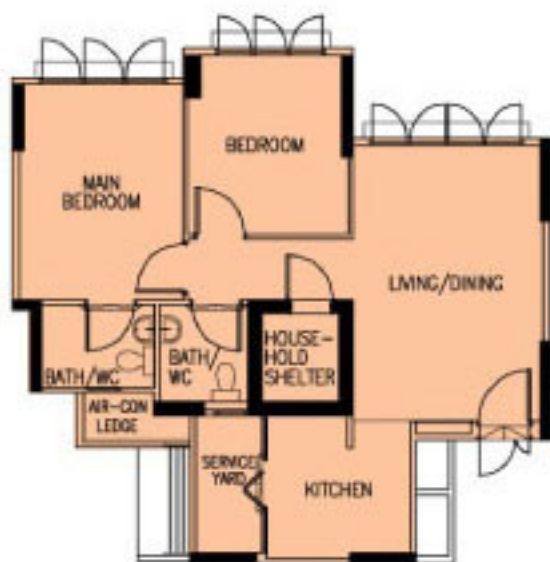

A Residents' Committee Centre is located within the development. In addition, a landscaped footpath connecting Woodlands Meadow to Woodlands Dew allows for easy access to more amenities next door.

For the convenience of residents, sheltered linkways are designed to connect all residential blocks to the multi-storey carpark and drop-off porches.
