Choose from 1,072 units of 3-room, 4-room and 5-room Premium flats.

On the shores of Punggol, a new wave of waterfront lifestyle enchantment awaits. Embrace it all at Waterway Terraces.

Waterway Terraces

Conveniences At Your Doorstep

The wide range of facilities within Waterway Terraces include an eating house, a supermarket, shops, a Residents' Committee Centre, a student care centre, a child care centre and an education centre. With the development's unique interlinked block layout, residents can enjoy sheltered connection to all these amenities. Drivers will also appreciate the convenience of having direct lift access from all blocks to the basement car park.

Brimming With Recreational Choices

Head over to the landscaped common green along the waterfront promenade to use the range of playgrounds and fitness facilities there. You can also choose to enjoy a breezy riverside jog or a leisurely stroll. Besides these, there are also intimate hexagon-shaped courtyards framed by the residential blocks. These courtyards offer garden spaces where you can relax and unwind.

Take in splendid views of the waterfront as you relax amid the lush green surrounds.

Waterway Terraces

Terraced Roof Gardens

Unique terraced roofs give inspiration to the name of the development and are what truly set Waterway Terraces apart. These roof gardens, which are also open to the public, offer lush green spaces where you can relax and recharge.

Some of these roof gardens will house amenities that cater to all ages, such as children's playgrounds as well as fitness facilities for adults and the elderly.

Head to any of the roof gardens, courtyards or the waterfront for fun-filled moments with your family.

Inspired by terraced rice fields in South East Asia, Waterway Terraces is crowned by cascading roof gardens.

By night, Waterway Terraces becomes a shining beacon by the water.
